

Hiking Guides

General

- Be considerate of the landowner's wishes.
- Obey all signs, especially 'No Trespassing'.
- 'Be Prepared'- carry adequate equipment suitable for your trip. Let someone know of your plans, trail section to be hiked and time you expect to be out of the woods.
- Before hiking purchase an appropriate trail guide for detailed trail information.

On the Trail

- Stay on the right of way.
- Leave all flowers, mushrooms, wildlife, rocks, etc., for the next hiker to enjoy.
- Respect peace and quiet on the trails.
- Leave all gates and barways as you found them.
- When hiking with your dog, keep your dog under control at all times.
- Pick up litter you find on the trail - '**Carry In - Carry Out**' - everything
- Be friendly with those you meet on the trail.
- Give horseback riders the right of way.
- Report any dangerous trail conditions:

While Camping

- Camp only in designated areas.
- Be careful with fires; make them only in specified sites; put them out completely before leaving them.
- '**Carry In - Carry Out**' - everything.
