

SPUNKY'S ANNUAL REPORT

Hello, everyone, how are all my young friends? It's been fun meeting you at community events this year. I especially enjoyed the Hallow-eeen'orama and the Capital Ex. I was able to be at the Safe Parent house last year. It was fun.

I have been in the mascot hospital getting fixed up so it will be easier for me to get around now. This outfit can be hard to manage, so we made some changes. The mascot hospital is very busy, and sometimes I had to wait two weeks or more for them to finish everything. But they do a good job there.

I am so happy to be on all the window signs and the books and stickers now. This way you will know that Spunky houses are Safe Parent houses. I am glad that the Edmonton Police Service liked the changes we were making and helped us do them.

Good luck to all of you. And good luck to the Edmonton Safe Parent Association as they build a program to keep our children safe and smart about their safety.
