

A Year in Review

Well believe it, or not, another busy year has come and gone. Time is flying by and the Board has been working hard on getting things moving forward in a positive and productive way.

Since last year I have had many opportunities to meet and get to know more amazing citizens of this great city.

For those I have not yet met, my name is Sherry Fowler and I am presently the Vice -President of Edmonton Safe Parent. I have many connections throughout the City and have enjoyed bringing them information on Edmonton Safe Parent and the important work we do throughout the city.

I have had the opportunity to meet with numerous members of the Edmonton Police Service to discuss Safe Parent and how we are another support for them to utilize. Safe Parent can assist them with the great work they are already doing.

This year has been about getting our name out there and trying to recruit Safe Parents to become a part of this amazing organization.

My goal, for the up coming year, will be to visit a targeted area of elementary schools in the city and spread the word on safety and Safe Parent.
