

## Office Report

Hi Everyone,

Did you have a good Christmas, see you families and friends and let's not forget the food? I did all of the above and had a great time!!

I am still plugging away at getting the signs to you, but, it is taking time. I still have about 4,000 of you to update and send signs to. Unfortunately, it takes more than a day to do that.

The office has written a grant to help out with supplies and we will hear from them by May. When I say supplies I mean brochures, educational material and displays.

I have had the opportunity to be on TV several times this year supporting the Program and giving safety tips. I must say it was thrilling and a tad scary to have that camera focused on you.

There will be several dates of interest coming up in the next Newsletter so get out your calendar and mark them down. The most important date will be the Annual General Meeting in May.

Remember if you need anything I am only a phone call away.

Karen Larsen
